How to Use Your Passport

Since 1985, we have learned that the first 90 days are crucial to a new member's success. This Passport will allow you to create that success.

- Meet with the Mentor Coordinator for the names of the people you need to meet with and the topics you will cover.
- Plan on attending at least one or two One-to-One meetings per week.
- Have your mentor sign your passport book after your One-to-One meeting.
- Use the checklist in the back of the Passport to help you get the most from your BNI membership.
- Complete the Member Success Program as prescribed by your region.

You should be able to complete the entire Passport within 90 days. Make sure to keep this Passport as a reference tool.

How to Successfully Invite

Introduction: *What are you doing next (day) _____ at (time) _____?*

Reply: *I have a group of business professionals I am excited to introduce you to. I am certain that many of them would benefit from meeting you. Can I register you for our next meeting?*

Say: *I'll be waiting for you at the door 10 minutes before start time so I can introduce you properly.*

Do: Keep it short and sweet. Always follow up!

Rather than trying to sell BNI, your goal is connecting them to a few people in the room.
